OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 7 November 1978

1. (Unclassified - ELS) BRIEFING Accompanied [redacted] 25X1
 NFAC/OER, and [redacted] NFAC/ORPA, to a briefing of
 Representative Bill Alexander (D., Ark.) on China. The briefing
 was requested by the Congressman to prepare him for an upcoming
 trip to China. (See Memorandum for the Record.)

2. (Unclassified - RJK) LIAISON John Carbaugh and
 Mary Calhoun, from Senator Jesse Helms' (R., N.C.) office,
 visited Headquarters for an NFAC briefing on Soviet particle
 beam research and related research on exotic weapons. The
 briefing went well. Mr. Carbaugh demonstrated a detailed
 knowledge on the subject. He also requested another briefing on
 the Soviet research laser. It was explained to him that 25X1
 briefing this at the Top Secret level would place a severe
 limit on the amount of information presented, nevertheless.
 Mr. Carbaugh said he would like to have the briefing. [redacted]
 CSS/NFAC, is going to make the arrangements for the briefing.

3. (Confidential - DFM) LIAISON Met with Casimir Yost,
 Legislative Assistant for Senator Charles Mathias (R., Md.),
 and discussed Senator Mathias' upcoming trips to Brazil and
 Mexico from 15 to 23 November, and the United Kingdom and U.S.S.R.
 from 1 to 15 December. Yost said the Senator would be accompanied
 by himself and Peggy Nalle, also of Senator Mathias' staff, on
 the U.S.S.R. trip and only by himself on the Brazil and Mexico
 trip. I agreed to send Yost Agency publications on political
 dynamics in the U.S.S.R. [redacted] for his review. In addition, 25X1
 we tentatively agreed on a briefing on the U.S.S.R. for Senator
 Mathias during the afternoon of 28 November and possibly a
 meeting for Yost at Agency Headquarters on 29 November.

4. (Confidential - DFM) BRIEFING Accompanied [redacted] 25X1
 [redacted], NIO/NFAC, and [redacted] CSS/NFAC, to a briefing 25X1
 of approximately 15 Committee staff members regarding the
 principal finding of NIE 11-4 on Soviet intentions worldwide. 25X1
 As an exception to the usual practice for substantive intelligence
 briefings, Fred Ward, Committee reporter, took a full transcript
 of [redacted] briefing. 25X1

5. (Confidential - DFM) LIAISON Called Jack Humphries,
 in the office of Senator Robert Morgan (D., N. Car.), and received
 Senator Morgan's exact itinerary for a trip to Europe and the 25X1
 Middle East.
